* Heaton's Coaches are providing a service from Ecclesfield to Stocksbridge High School. First priority for space on this service will go to students who have been issued a Zero Fare Pass by Sheffield City Council. Other students wishing to access this service should contact the school for details.

Why have these changes happened?

The owner of BrightBus has decided to close the business. SYPTE has been working with other bus operators and with the four district councils to find replacement or alternative travel for affected schools.
